

THE HUMAN FALL

Uncovering the Root of Original Sin

An investigative inquiry into the origins of human conflict

THE PERSISTENCE OF EVIL

The Original Mind

The Reality of History

THE CORE QUESTION:

If humans were created good, why are we driven by evil forces we cannot control?

To extirpate evil by its root... we must first expose the motivation and origin of Satan.

Exhibit A: The Paradox of the Fruit

- **THE PARADOX**
 - Would a loving Parent create a death trap for His children?
 - Would He make it attractive (Gen 3:6) and place it within reach?
- **THE LOGIC**
 - Jesus: “Not what goes into the mouth defiles a man.” (Matt 15:11)
 - Digestion cannot cause a spiritual fall.
- **THE DEDUCTION**
 - The “Fruit” is a symbol for something that affects lineage, not digestion.

DECODING THE SYMBOLISM: THE TWO TREES

TREE OF LIFE = PERFECTED MAN

TREE OF KNOWLEDGE = PERFECTED WOMAN

Evidence:

- **Tree of Life:** Symbolizes the ideal of creation (Prov 13:12). In Revelation, it is the perfected man (Jesus).
- **Tree of Knowledge:** Represents the partner to the Tree of Life—the Ideal Woman (Eve).

Conclusion: The Garden was not about botany; it was about the maturation of human character.

THE SUSPECT: IDENTITY OF THE SERPENT

- **PROFILE OF THE SUSPECT**
 - Can converse with humans.
 - Knows the Will of God.
 - Resides in Heaven.
- **BIBLICAL ID**
 - Revelation 12:9 identifies the “ancient serpent” as the Devil/Satan.
- **DEDUCTION**
 - Not a reptile, but a spiritual being—the Archangel (Lucifer).

THE NATURE OF THE CRIME

THE CLUE

- Genesis 3:7: They covered their sexual parts, not their mouths.

THE MAXIM

- “Human nature conceals the site of the transgression.” (Job 31:33)

THE VERDICT

- The act was sexual.
- The “Fruit” was the love of Eve.

SCIENTIFIC & HISTORICAL PERSPECTIVES

On Spiritual-Sexual Interaction

1. HISTORICAL RECORD

The Malleus Maleficarum (1486) documents 'Incubus' and 'Succubus' encounters.

2. THE PHILIP EXPERIMENT (1970s)

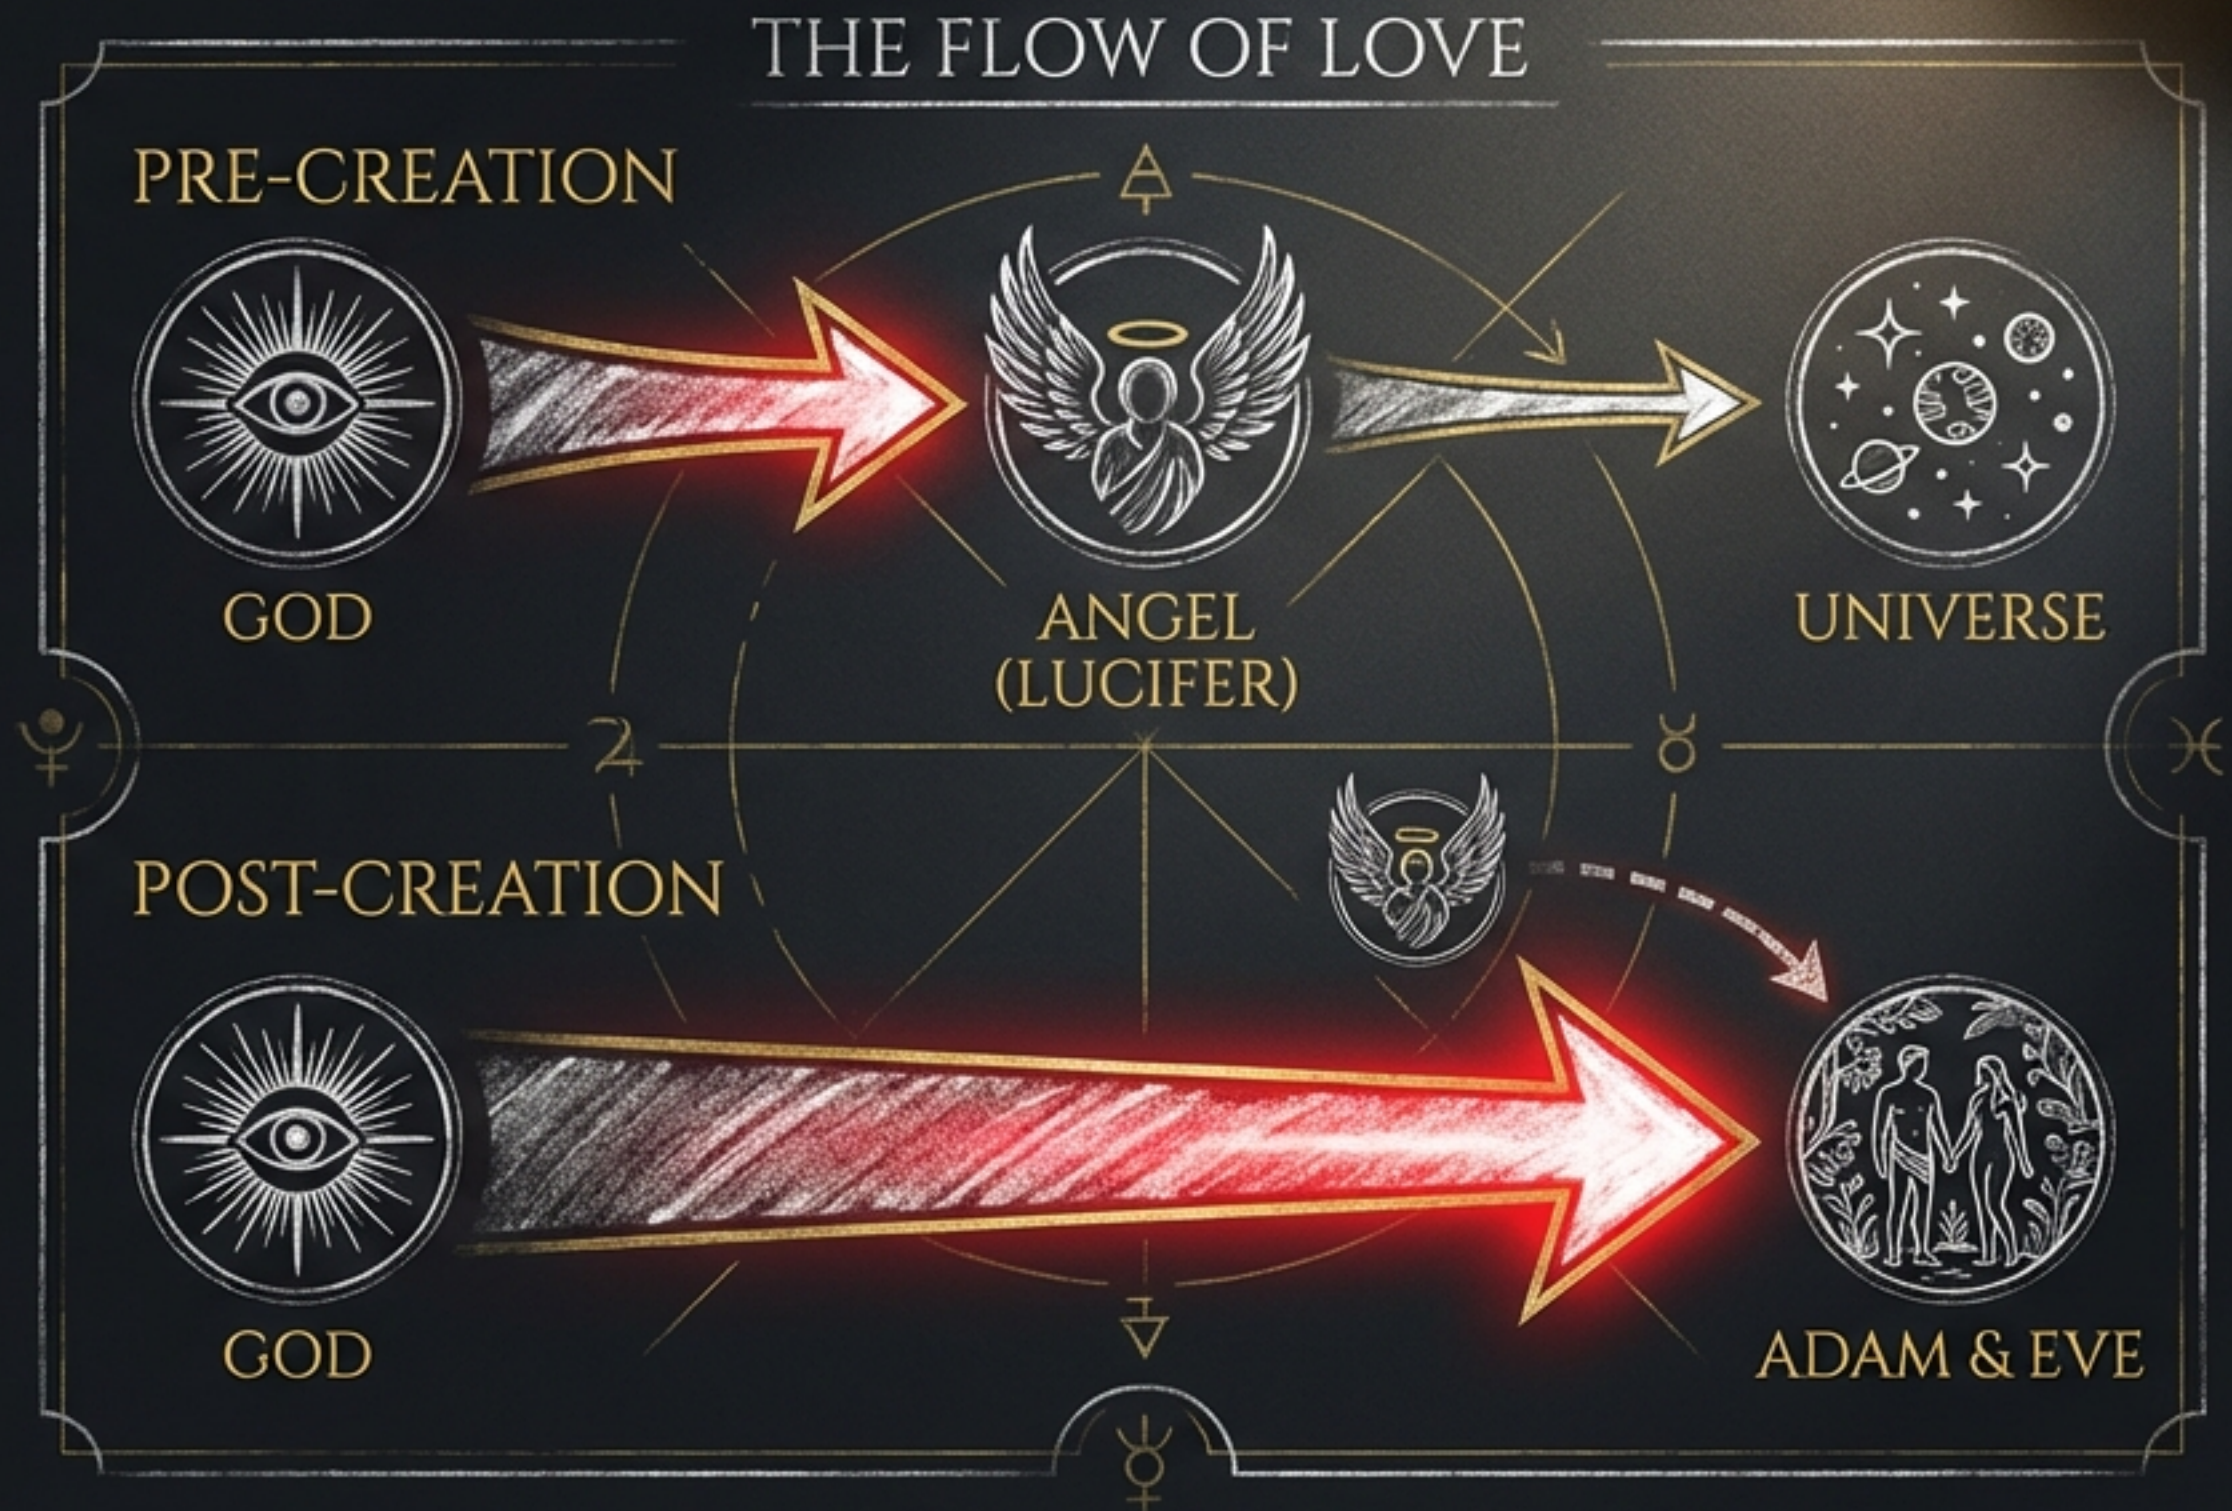

Documented physical manifestations and sexual sensations created by a 'fictional' ghost.

3. MODERN SLEEP SCIENCE

Sleep paralysis studies confirm the 'Incubus phenomenon'—the sensation of pressure and presence.

THE MOTIVE: DISPLACED LOVE

- **Lucifer** was the channel of love.
- God loved His children (Adam/Eve) **more** than His servant.
- The Emotion: **Jealousy**.
- The Plan: To maintain his central position by **seizing Adam's spouse**.

PHASE 1: THE SPIRITUAL FALL (ANGEL & EVE) (ANGEL & EVE)

THE TRANSACTION

- Eve, spiritually immature, seduced by the Angel's wisdom.

INPUT

- She received 'fear' (guilty conscience) and 'premature wisdom'.

RESULT

- A spiritual sexual union that violated the principle of creation.

PHASE 2: THE PHYSICAL FALL (EVE & ADAM)

THE SEQUENCE

1. Eve, acting from **fear**, turned to her intended spouse, Adam.
2. She stood in the position of the Archangel, seducing Adam.
3. Adam left his original position to unite with Eve before maturity.

THE CONSEQUENCE

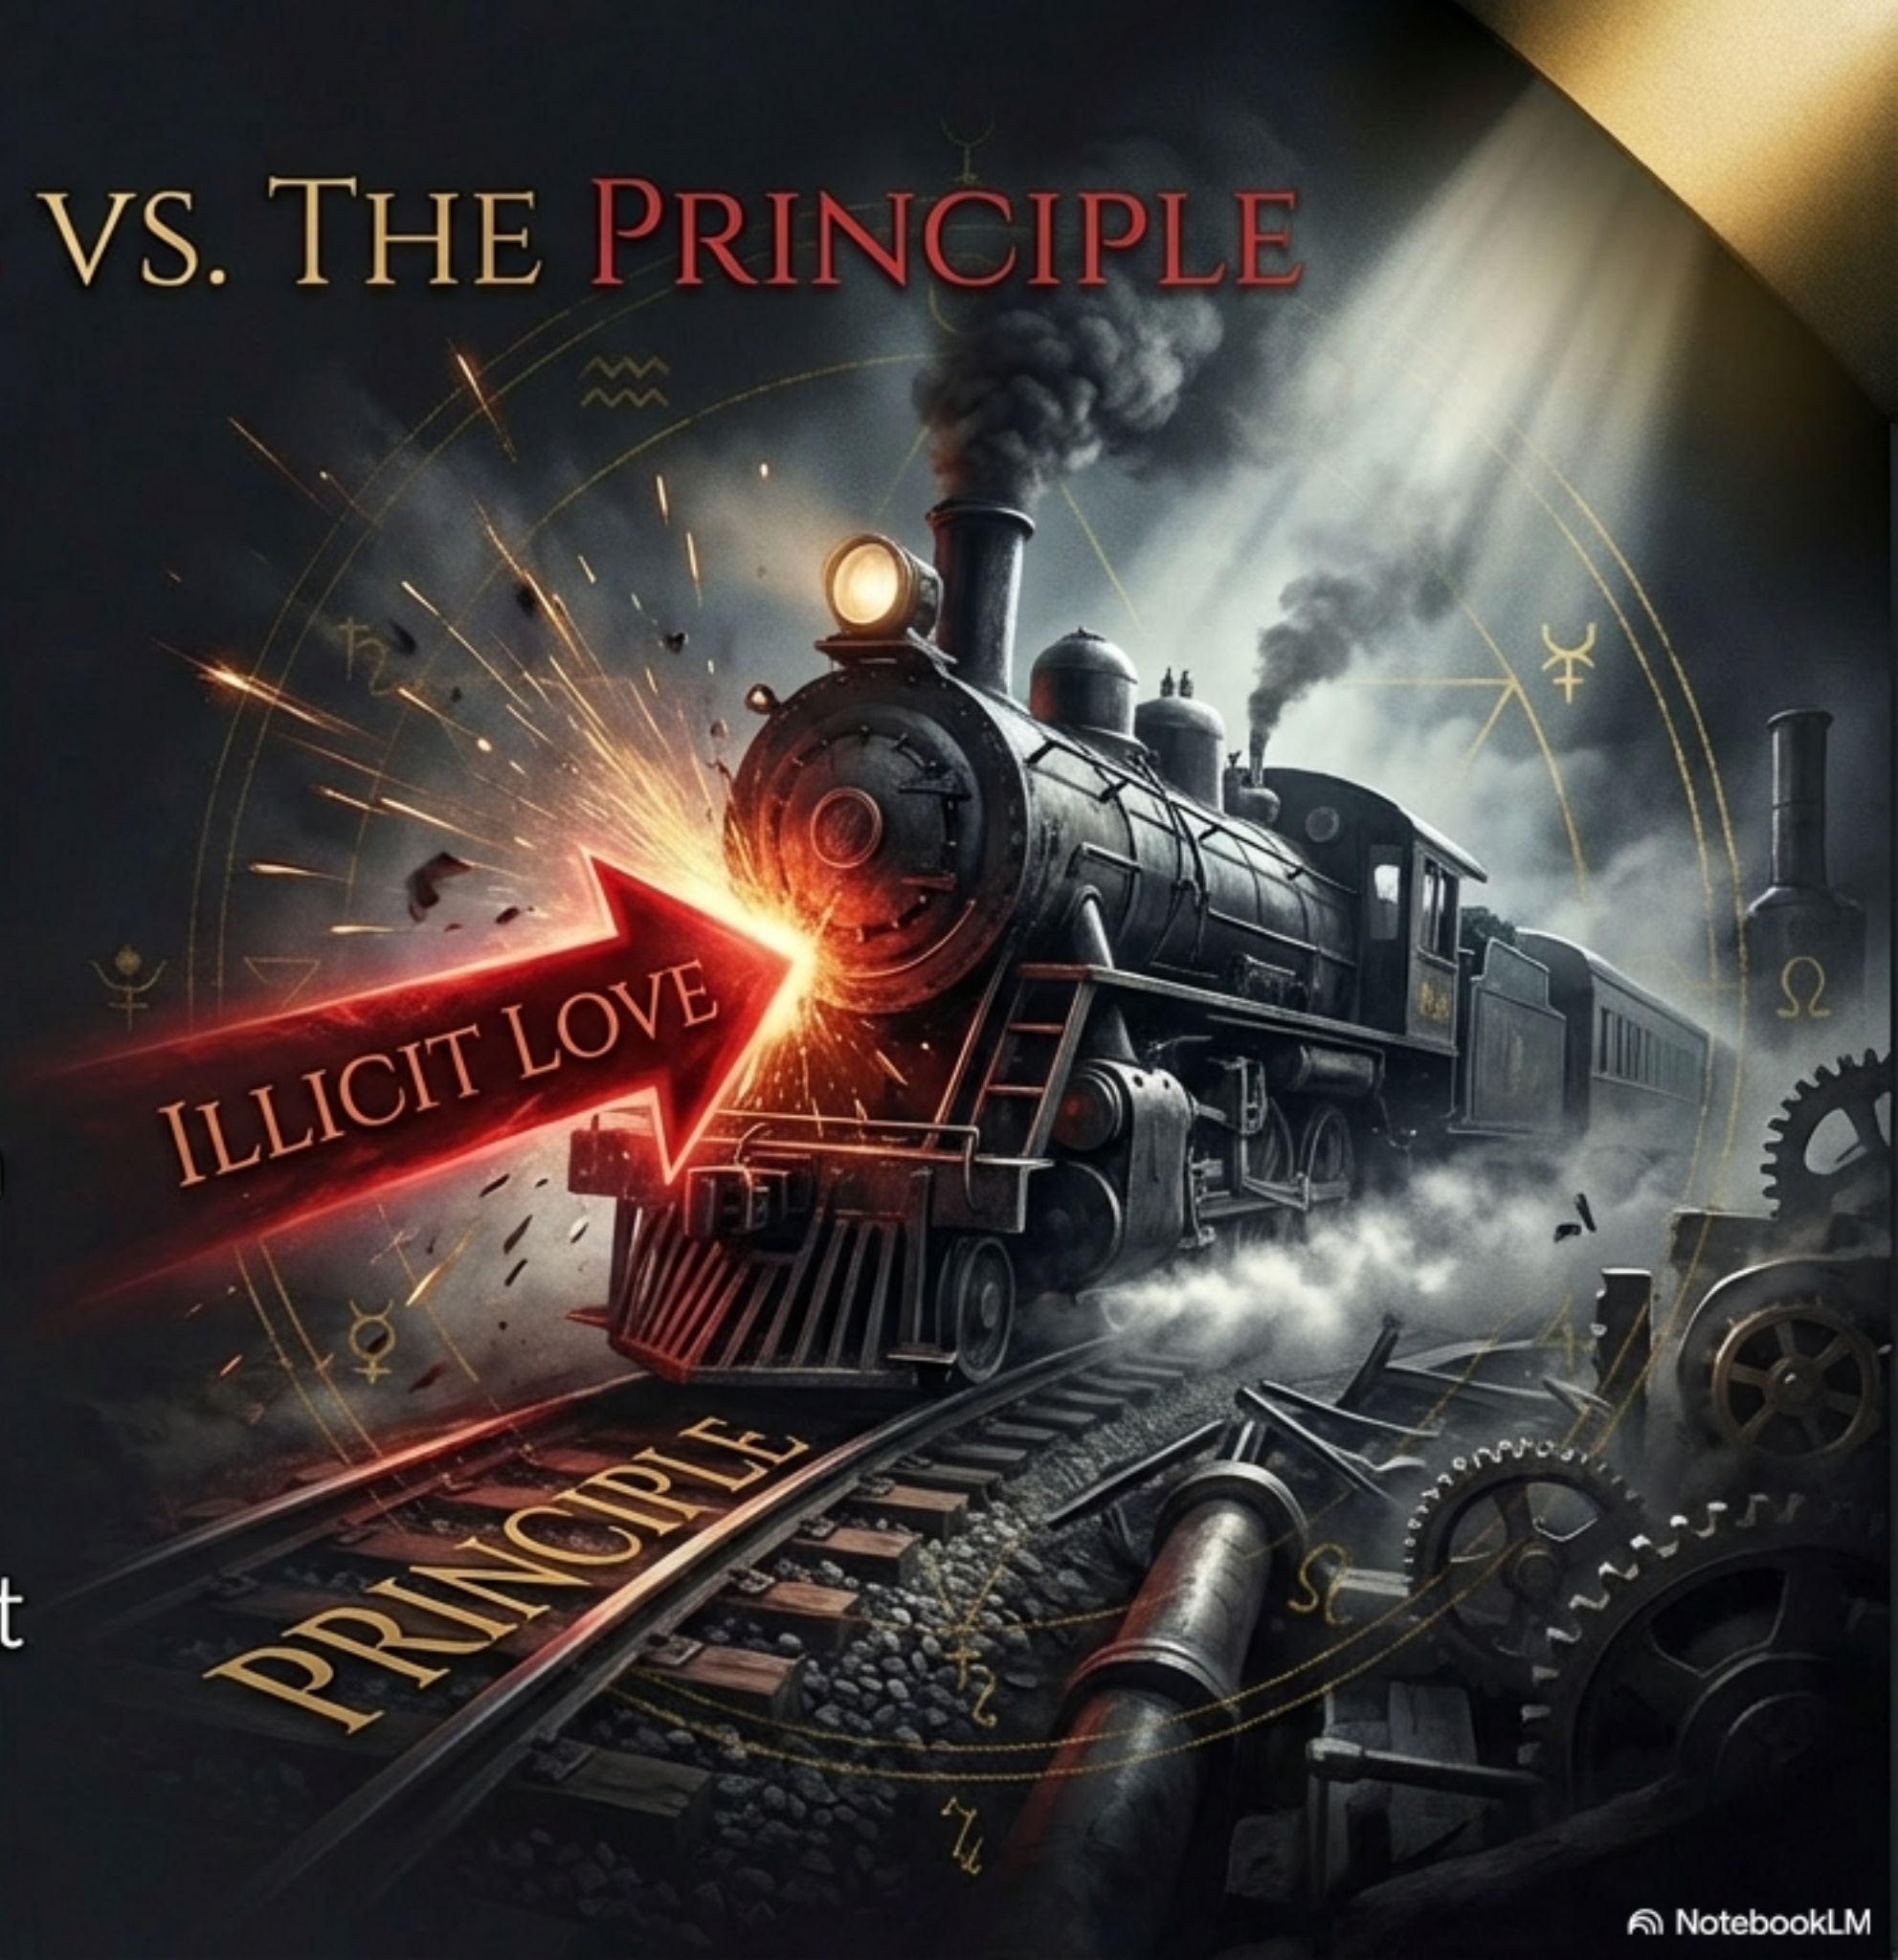

The **premature physical union** transmitted the **spiritual elements (fear, sin)** into the **physical body** and lineage.

THE POWER OF LOVE VS. THE PRINCIPLE

Why didn't God stop it?

- God rules by **Love**, not just Law. Therefore, **Love > Principle**.
- This design is necessary for true freedom.
- **The Risk**: In immaturity, **unprincipled love** is strong enough to derail the train.
- The Commandment '**Do not eat**' was the **protective guardrail** meant for the growth period.

THE CONSEQUENCE: **A CHANGE OF LINEAGE**

THE VERDICT

- Humanity inherited the lineage of the Fallen Angel.
- We are not born into God's family but must be adopted back.

BIBLICAL EVIDENCE

- "You are of your father the devil." (John 8:44)
- "Brood of vipers." (Matt 3:7)

RESTORATION: THE NECESSITY OF THE MESSIAH

THE SOLUTION

- We are “wild olive shoots” (Romans 11:17).
- Moral codes alone cannot purify the lineage.
- The Messiah comes as the “Tree of Life” (The Second Adam).
- Humanity must be “engrafted” to sever the satanic root and inherit the original lineage.

REOPENING THE WAY

The mystery is solved. The cure is known. The path is open.

“Blessed are those who wash their robes, that they may have the right to the tree of life.” (Rev 22:14)
